

SO GREEN SUSTAINABLE GROWING

The Experiment

- Duration:
 - 1 year preparation period
 - **5 year experiment to supply 79 coffeeshops**
 - if succesful, indefinitely expand to supply 500 coffeeshops
- Cultivation and sale of cannabis for recreational use
- A maximum of 10 licenses will be issued to growers
 - Intended to ultimately supply ALL coffeeshops
- Coffeeshops are obligated by law to supply only cannabis from licensed growers
- Minimum requirement is to produce 6500 kg cannabis per year and at least able to produce 10 different varieties

Golden opportunity to obtain exclusive license to participate in the Dutch cannabis supply chain

Depla: 'Eindelijk afscheid van halfslachtig gedoogbeleid rondom wiet'
